Fiber-Classic Entry Doors

With the patented Fiber-Classic door, you get the look and feel of wood without the disadvantages. Our superior fiberglass technology takes the best qualities of wood and improves upon them. The Fiber-Classic door resists damage, no splitting, cracking or warping like wood. Insulates five times better than wood doors due to its solid polyurethane foam core. Stains to look just like wood and the finish lasts three times longer.

Choose from a wide array of Classic-Craft, Fiber-Classic, Smooth-Star and Premium Steel Doors at these super showcase savings.
