**Eclipse 5/4"x6" Composite Decking**

These Eclipse decking boards are designed for use with the Tiger Claw hidden fastener system - so no unsightly screws are visible. Made from the best composite formula on the market today. A mix of 100% virgin polymer with furniture-grade maple flour for consistent colors throughout. Cuts like wood, with low expansion. These stiff, low-bounce boards install easily.

Two-sided boards offer a choice of durable finishes - brushed or woodgrain. 20 Year Warranty.

DOORS

**Fiber-Classic® Door**

Changed how doors are made, and still sets the standard for today's fiberglass entry doors.

Our original vision was an entry door that would not crack, split, splinter, or warp like wood. The result? Therma-Tru's patented fiberglass entryway door that's durable, stylish, economical and most preferred by builders and remodelers.

Fiber-Classic® has the warm, rich look of hardwood, with all of the advantages of Therma-Tru fiberglass.
