Eclipse 5/4"x6" Composite Decking
These Eclipse decking boards are designed for use with the Tiger Claw hidden fastener system - so no unsightly screws are visible. Made from the best composite formula on the market today. A mix of 100% virgin polymer with furniture grade maple flour for consistent colors throughout the board. Cuts like wood, with low expansion. These stiff low bounce boards install easily. Two-sided boards offer a choice of durable finishes - brushed or woodgrain. 20 Year Warranty.
